Star Wars: Darth Maul-Death Sentence

Synopsis

Fearsome Sith Lord Darth Maul, rescued and restored after surviving his confrontation with Obi-Wan Kenobi in *The Phantom Menace*, wreaks havoc through the galaxy with his brother Savage Opress! When the brothers' murderous rampage through the Outer Rim is interrupted by a bounty placed on their heads by Ja'Boag, a wealthy mining magnate, the duo decides to target him - only to be met by a team of Jedi and Ja'Boag's own private army! This would be the break the Jedi have been hoping for, if it weren't for the fact that Ja'Boag's ruthless oppression of the native population has given Darth Maul an army of his own!

Book Information

Series: Star Wars

Customer Reviews

Tom Taylor creates doomsday with *Darth Maul Death Sentence*. Darth Maul and his brother Savage Opress attempt to hunt down a man who has put a serious bounty on their heads. Although, not only are two Jedi Knights and their padawan on the trail of the demon brothers, but also the man responsible for Maul's disfigurement, Obi-wan Kenobi. This story takes place during the clone wars era, actually as a direct follow-up to season four of the television series. Even though it does have a clone wars feel to it, the story contains fight sequences in which Darth Maul "mauls" if not murders whoever is in his way. The story is intriguing and the art is well done, if your a fan of Darth Maul...It's a must read! I give death sentence 5/5 stars.

Fantastic art and a compelling story. I was really taken in by this one. the stories of Darth Maul and Savage Oppress are so brutal, I just can't look away when I start them. The art is more modern, but I tend to prefer it to the old style. I love reading through seemingly HD comics on my kindle fire.

Great piece of Dark Horse storytelling which appears to have been lost in time! If you love The Clone Wars then you'll love Death Sentence. It has the feel and tone of TCW show and captures Maul perfectly. A nice tie in with Season 4 and 5.

Darth Maul: Death Sentence is the continuing story of Darth Maul, the cool Sith Lord from Phantom Menace. He was last seen being chopped in half by Obi-Wan Kenobi and falling down a reactor shaft. After being rescued and given robotic legs, Darth Maul and his brother, Savage Opress, are wreaking havoc and looking for revenge. Death Sentence opens with Maul discovering there is a bounty on his head. He heads to confront the contractor, Ja'boag, a wealthy mining businessman. Meanwhile, two Jedi and a Padawan fly to confront the brothers and help Ja'boag, even though he is scum. After a fight, Maul is rescued by the native population, who have been forced out of their caves/mines and onto the surface of the world, which is about to be scorched of life due to a situation where three suns rise simultaneously. Maul is seen as the savior foretold in a prophecy, the Jedi are trying to save the native people, and Ja'boag is trying to save himself and keep his profits. It all comes to a head in a large battle, with an unexpected resolution to the prophecy. This story fits into the storyline presented in the cartoon series The Clone Wars. I'm not very familiar with the ongoing story, nor how Darth Maul was saved. However, I did enjoy seeing more of Maul and having a chance to see a more of his story. At one point, he even took on a Magnificent Seven-type role, which was unusual for a Sith Lord. He was definitely the most interesting character. Also, there seems to be some set-up for the Padawan to have a significant part to play in future dealings with Maul. It will be interesting to see if that comes to pass. Savage Opress has the potential to be an interesting character as well. The art was reminiscent of other Star Wars comics and the Clone Wars series. It was nice, and flowed with the story. I would recommend this to any fan of Star Wars. I received a review copy of this book from Netgalley and the publisher, Dark Horse Comics.

THIS IS A GRAPHIC NOVEL! that was a warning to future buyers, when I bought it I was under the impression that it was a novel. Saying that it was still good but I'm not sure where to get the next volume so I'm kinda stuck right now, it's good though.

The story is awesome. If you enjoy stories of the sith and of darth maul you will enjoy this book. Art work is the best and newest from dark horse. I was shocked when I saw darth maul had a brother and how he looks now is simply crazy. Look at the preview pages and you will not stop reading the story.

This is a great addition to the clone wars saga. I didn't expect to like this story as much as I did but it definitely delivered ! It's such a shame that dark horse lost the license.

The story was awesome loved every bit of it, very interesting and lots of action you'll have to read it for yourselves
