Customer Reviews

I just finished taking the Custodian I and II exams in Central New York (March, 2008) - 90 questions. This book was of no help. Although the information is interesting and, maybe, useful to a custodian - it didn't help with the questions that were on the New York State exams. It was just a tad better than the "School Custodian" book that dwelled on coal-fired boilers and asbestos covered pipes.

Alot of grammar and vocabulary issues printed on book...good information....

As described very fast shipping.

Good
