Customer Reviews

I didn't know what to expect, but I am overall impressed with the content. The study tips are great. The biggest benefit is the 50 question practice test to help you get an idea of what to expect when you take the actual test.

Thanks to the Wonderlic study guide I have passed the test with a score 27 (23 was the requirement). I took this test in the past twice and my score was 21 and 22, respectively on each test.

This book is the best ever book I have ever seen. It clear the basic fundamentals of the test. It teaches everything step-by-step. It also reached for what I needed because I was having trouble in Mathematics and it helped me a lot. I would thank from my heart and my soul to the person who made this book. Thank you very much for this wonderful book.

Having this product was a great way for me to prepare for the exam. Being able to review while having tips to guide me helped with understanding the material a lot better. I would definitely recommend this product!

You know what this product gives you? Confidence. Let's face it! Most of us have not taken some of the material found in the practice examples out-of-the box in a long time. We just don't. This is the exact reason you need this book. I purchased the "Wonderlic Basic Skills Test", and could not have been more impressed. This book gives you a comprehensive look at how to mentally prepare for the Wonderlic test. First of all, It gives you concrete strategies to manage the test environment. I found the section on managing time to be particularly helpful, as I usually don't find myself in a strict time sensitive environment as part of my normal daily routine. Lastly, the Basic Skills Test booklet contains enough practice material to give you the confidence you need to face the actual test! Really, once you start working with the practice tests, you'll feel your anxiety level about taking the Wonderlic or any other pre-employment test decrease, as you start to feel comfortable with the material. You start to feel "READY", and that's a great place to be!
