Customer Reviews

It would have been better if it was the full version. It stopped at page 500. The right one is about 700 pages.

Great! I didn't read the description; I just bought it! I didn't realize the book was small in size but nonetheless great!

No difference between the other version. save your self the time and just look up the 2016 MLA update online.

Just don't get this one
