ISBN-13: 978-1437717761

Product Dimensions: 10.8 x 8.5 x 1.9 inches

Shipping Weight: 5.5 pounds

Average Customer Review: 4.0 out of 5 starsÂ Â See all reviewsÂ (3 customer reviews)

Best Sellers Rank: #3,909,765 in Books (See Top 100 in Books) #99 inÂ Books > Textbooks > Medicine & Health Sciences > Administration & Policy > Nosology #138 inÂ Books > Medical Books > Basic Sciences > Nosology #1228 inÂ Books > Textbooks > Medicine & Health Sciences > Administration & Policy > Practice Management & Reimbursement

## Customer Reviews

The book is easy to understand i like working in the workbook it increase your knowledge of the different aspects of the coding book. my class didn't last long enough it was just eight week. But my book will be usefull for all my other class.

This is an awesome set of books. What bothers me is the ISBN numbers that are shown in the product description.... those aren't the ISBN numbers that are on the books you receive. It took me forever to figure out that I had the right books but that they labeled the "package of books" with its own ISBN number. They should list in the product description a separate ISBN number for the textbook and workbook.

I ordered this for class because it was required. However, the book keeps referencing Appendix B, which is NOWHERE to found. The companion website is of little use... Maybe this school should reconsider it's required reading...
