## Customer Reviews

I loved this book. It's packed with paint ideas and organized sensibly. Fresh fun colors and suggested color combinations are in every chapter. From painted furniture to stenciling to stamping, this book is full of creative, inspiring ideas. Many projects have how-to photos and all have basic instructions. Plus a paint tool guide in the back. This one is a keeper!

It was ok.the pictures are pretty,but I was expecting a better variety of colors..and advise as to how to coordinate. They had their own colors coordinated and that was it.

I have shared this with all my friends and family. A lot of great affordable ideas even for the non-crafty type of person. I would buy more from Better Homes.

Not that interesting. Nothing that can't be found on the web.
