## Customer Reviews

I was pleased to be able to purchase this book quickly and, relatively, inexpensive.I purchased it primarily for the Handel-Casadesus Concerto. The other editions are usually more.This one has other pieces in it and, hopefully, there is an available cd for it. I have not checked this yet.The editing is sometimes a problem but I fix it to suit myself. Otherwise, it is a good deal.

It was really dank, it came on time... ON A SUNDAY!!! And it was just plain dank, would recommend the 8th more tho
