Even though I am a huge fan of the Left Behind series and feel that it has done much to advance the cause of the Gospel throughout the world, I must admit that I rolled my eyes when I heard that Jerry Jenkins and Tim LaHaye were releasing three more books. I felt that people had waited long

enough for Glorious Appearing. I have actually talked to more and more people who liked the Left-Behind series but have felt that it should go quietly into the night. So I was surprised at the aim and direction of Rising. Jenkins could have rolled out the same script and characters as Left Behind, inserted some forward-looking prophecies by Tim LaHaye, threw a few dozen Bible verses in and called it a day. Instead what comes forth is a reasoned, deep, character-driven, rich novel of intrigue and suspense. Jenkins takes us through the rather sordid events that surround the conception of the one who will be the antichrist, tapping into a well of mainstream evangelical theories as to the origins of his birth. A dowdy teacher's aid is chosen by the Satan-worshipping organization that is setting itself up to rule the world. At the same time, we're taken through the very average life of one Rayford Steele, who will emerge, post-Rapture, as a hero and nemesis of Carpathia. I was mildly disturbed and surprised by the detailed events of both Carpathia's conception and the juvenile college relationships of Rayford Steele. For that reason alone, I would not recommend this book to anyone under the age of 16-17 and even in that, I would hesitate. The book is clean, but some of the subjects discussed are appropriate for adults.
