Monthly Girls' Nozaki-kun, Vol. 3

Synopsis

Drawing comics is hard work, as high school boy and shoujo manga-ka Umetarou Nozaki and his motley crew of friends-turned-assistants know well. But being a manga pro doesn't necessarily make Nozaki great at everything. In fact, Chiyo is about to discover that his talent just might be full of holes?! As it turns out, everyone's got some weaknesses, and nobody's perfect-not even school "prince" Kashima! And Chiyo doesn't get a pass either...because her greatest weakness is Nozaki himself!

Goofy funny manga about a high school group who produce a Shojo manga. Nozaki-san is the main artist and he has a large crew of assistants and helpers. Plenty of goofy nonsense about their hijinks as they think up stories and draw up the Shojo manga. Very entertaining! Uses the four-panel format to tell the story!

Another amazing book from this writer. This series never fails to make me laugh and enjoy every moment of it. It's nice to see strong female and male characters in a slice-of-life book such as this one. Even though the author focuses on multiple characters besides our two main protagonists I have grown to love them all.

Volume 3 is just getting us comfortable with the characters and mixing them all together so that we

see how they interact. Mikorin really shines in this one since we get to see so many of his endearing quirks and funny reactions. He is really funny and lovable. There's also a lot of meta jokes in this one about manga.

just as funny as the first two, love this series. 5 stars
