ISBN-13: 978-0394822570

Product Dimensions: 0.5 x 8.8 x 11.2 inches

Shipping Weight: 1 pounds

Average Customer Review: 4.6 out of 5 stars Â Â See all reviews Â (7 customer reviews)

Best Sellers Rank: #729,200 in Books (See Top 100 in Books) #14 in Â Books > Teens > Historical Fiction > Prehistory #44 in Â Books > Teens > Education & Reference > Social Science > Anthropology

Customer Reviews

This book was in a collection at the Burke Museum, at the University of Washington. My grandson started to read it, and I bought it to have. When he comes over, he will read it with me and we discuss it. It is one of the favorites...

Very nice book! It has lots of pictures, and the information is condensed nicely. I would not call it a children's book, but the information is presented in a simple enough form, I would say for age 10+.

Wonderful pictures of Early Human artifacts and concise text information give students a clearer view of our Stone Age ancestors.

I love these books. Gives basic information and great pictures. Always something new to learn.
