He Came To Set The Captives Free

Synopsis

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. In this honest, in-depth account of Satan's activities today, you'll see how to recognize and combat the many satanists who regularly infiltrate and destroy Christian churches; recognize and combat satanic attacks; and recognize those serving Satan, and bring them to Jesus Christ.

This book is true and I don't have to know the author personally to know this but because of my own spiritual battles and the parallels between what I have seen and what is in this book. Thankfully my own experiences were not as dramatic as Elaine's because I turned my back on the occult before my involvement became too deep. Satan and demons do exist but so does God, Jesus, Holy Spirit & all the heavenly angels!!!! Its simply a matter of whose side are you on & whether we like it or not we are on a side, there is no neutral territory...and I would like to strongly caution every single person who assumes they completely understand the innermost functioning of the spiritual realm around us by saying the events such as the ones in this book are bogus and do not happen, to from this moment forward stay silent if you do not know the 100% validity of what you are saying. More

goes on in the natural realm, the spiritual realm & the intermingling of the two then one could ever know. Here are my credentials: tortured almost every single night from the 7th grade till after I graduated High School by demonic forces because of my occult involvement...only since giving my life over to God have I had the power of victory through Christ. Since then I still battle witches and demons but they have no power of me. Why?? because I know how to battle them. And I am deeply saddened by those would rather live in ignorance of the reality of the kingdom of darkness and its affect on our daily lives if we allow it, regardless of the name you stamp on it to make yourself feel better. I pray you come to the truth of the world we live in, but until then I advise you to be careful about what & who you speak out against. I am honestly saying this out of love to everyone who reads this, you are putting yourself in a dangerous position by speaking out against the truth of the matter & by leading other people away from the reality of what goes on in this world. Many many people get raped, tortured & killed by demons and those in the occult...and Satan loves that millions of God's children refuse to believe this and as a result there are millions of people crying out for help, freedom & deliverance from the grips of the kingdom of darkness and those with the answer are staring at them point blank in the face telling them such things and events don't exist...Peace & Blessings

Sorry for my bad English I'm French .I read this book and I can say by experience that it tells the true .I 'm a born again christian.I have been fasle christian church for one year I found them weird so I leaved them .2 years after leaved them I discoverd that they were in fact satanists so they try to kill me by black magic . I went to another christian church a real one this time and Jesus saved my life .I have seen some of the things wich are described in the book that's why I can say that this book tells the true .If you are in France and you are attacked by satanists reed the Holy Bible and Michelle D'Astier De La Vigerie books it saved my life. Michelle haves a blog and a facebook too .Read He came to set the captives free.Be bless.

We had a lady come to our church having suffered from SRA (satanic ritual abuse). She was possessed by at least 9 demons, and plagued with mental problems resulting from their influence on her mind. This is only one of many incidences that have occured since we became more equipped. I had no idea how to help her and others truly find freedom until I read this book. I'M A CONSERVATIVE PASTOR, IN A CONSERVATIVE CHURCH, IN A CONSERVATIVE TOWN, IN A CONSERVATIVE DENOMINATION. This kind of material in not what I usually read! However, I'm also very practical. If it works and squares up firmly with the written scriptures of God, then I want it.

This book helped us to deal with situations that my seminary classes did not prepare me for. And what is most impressive with Dr. Brown's book is this - it actually works. I know from personal experience that these tools are Bible-based and effective. I HIGHLY RECOMMEND THIS BOOK TO ANYONE WHO BELIEVES THAT CHRIST TRULY WANTS TO SET FREE THOSE HELD CAPTIVE BY THE ENEMY.

This book came into my life after a year of being harassed by evil. I was NOT into the occult, but moved into a house previously owned by those that were. I did not know Jesus Christ at the time, nor did I fully believe in the Holy Bible. Our Lord sent a friend into my life to tell me about the awesome power Jesus has over Satan and his demons. She bought me a bible and I began reading it. They attacked me ten times worse! I was terrified. (Satan uses fear to keep you from the truth) Later, my friend handed me Rebecca Brown's book. I sat and cried as I read it. She wrote many many things I was living EVERYDAY! These people that call it fiction, I pray you will never be attacked as I was.....because you will change your attitude. The Lord used this experience not only to show me I was "wrong" in my beliefs, but also to train me how to be a warrior for Christ. Rebecca's attacks during her book were due to training experience, and if you read them all, you will see that she learned well from the Lord. Some comments state she made up things as she went along, and some in the craft state she has it all wrong. The way some occultists practice are different from others. Satan uses a method that will work for you. There are no two people alike. Those that oppose this the most I have to question why? Has she hit on something that woke you up to the truth? Some are saying that the werewolves she talked about are false. How do you know that? I've read many other books by ex-occultists that said werewolves are used for extreme discipline. After what I experienced myself with evil spirits, I will NOT say that Rebecca Brown's book is a fraud. The truth is always attacked by those that are against it. Take the Holy Bible for instance. I used to "attack" it myself....because I was ignorant of the truth and didn't care to find out at that time. The Lord made sure I found out, and let me tell you folks.....Jesus is LORD. Those of you reading this that are in the occult....ask yourself why Jesus is the only one hated by you? Why isn't Mohammed, Buddha, or Krishna hated? Why is Jesus mocked and called the deceiver in hard rock? No other name is mocked by those in the occult. Ironically.....that is the very name that can save them from the life of fear. You know longer have to watch your back in fear of those in your own kingdom. The kingdom of Christ is peace, love, and joy. His burden is light, and He became a WILLING sacrifice for you. Do you know anyone else that would do that? I urge others to read Rebecca Brown's book. Through her experiences and the Lord leading her to write it.. ...I was set

free from a previous curse that made me think I'd lost my mind. Now I've read hundreds of testimonies like mine. The church is waking up. It's about time.
