Anne Of Green Gables

Synopsis

An unforgettable character beloved by generations of readers Redheaded orphan Anne Shirley longs for a real home, somewhere she can truly belong. When she first arrives at the Green Gables house on Prince Edward Island, it's everything she ever imagined. But to stay, she'll first have to convince Matthew and Marilla Cuthbert to adopt her. And that means controlling her temper (even when Gilbert Blythe calls her "Carrots"), staying out of trouble (and away from hair dye), and not getting too carried away with her daydreams (though she would make the perfect Lady of Shallot floating down the river). Anne might not always get it quite right, but she does keep things interesting... Through Anne's eyes, the ordinary world becomes magical and every day is an adventure. She inspires the dreamer in all of us, never hesitates to say the things we wish we could get away with, and makes us cherish every kindred spirit we meet. It's no surprise Anne is loved around the world by generations of readers. This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter.

Customer Reviews

The ANNE OF GREEN GABLES series is one of the most unforgettable, and one of the most enjoyable, series of all children's literature. This series chronicles the life and times of Anne Shirley. Anne Shirley is the plucky, imaginative, red-haired orphan. Her parents die when she is baby, and so she spends the first 11 years of her life going between homes and orphanages, with

no one really wanting to keep or to love her. By a mistake, she is brought to Avonlea--instead of a boy--to be adopted by Matthew and Marilla Cuthbert, a pair of farmers who never thought they would be raising a girl in their old age. You may want to skip this next part of my review, because I am going to sum up each book briefly. No plot spoilers will be revealed, but some of the contents will, and if you haven't read all the books, then maybe you don't want the content revealed ahead of time. *ANNE OF GREEN GABLES* covers a span of Anne's first 5 years in Avonlea. She will age from 11 to 16. Her immortal antics that have made this book so beloved include her rivalry with Gilbert Blythe, dyeing her hair, and falling off of Mrs. Barry's roof... *ANNE OF AVONLEA* spans two years. Anne is 18 at the novel's finish. She has become a teacher. Marilla adopts twins. Also, Anne has some more humorous and immortal moments. *ANNE OF THE ISLAND* spans 4 years--Anne college years at Redmond. She will be 22 at the end of the novel. Anne discovers the real meaning of romance and love and courtship in this novel. *ANNE OF WINDY POPLARS* also known as *ANNE OF WINDY WILLOWS* covers the 3 years of Anne's engagement to Gilbert. She is a Principle at Summerside High School where she has to deal with the Pringle clan, Katherine Brooke, and plenty of other interesting folks.
