Customer Reviews

This is the second in a series of three Clone Wars Map Pack for the Star Wars Miniatures game. This map pack comes with one double sided maps -- two BRAND NEW maps total, plus two figures -- including one EXCLUSIVE figure. Here are the two key reasons I decided to give this item five out of five stars.First, you get two figures with the map pack: Asajj Ventress, Separatist Assassin (see stats below) and a Clone Trooper. And, while the Clone Trooper is a reprint, the Asajj Ventress figure is exclusive to this map pack and is therefore unavailable anywhere else. Further, the Asajj Ventress figure is excellent for the points (i.e., she has great stats, Special Abilities, and Force Powers -- a detailed description of each SA and FP is available in the Star Wars Minis Rule Book Glossary, or on the Wizards of the Coast web page):Asajj Ventress, Separatist Assassin -- Separatist -- 43 points110 HP20 Defense12 Attack20 DamageSAs: Unique, Melee Attack, Double Attack, Loner, Rolling Cleave, Stealth and Twin AttackFPs: Force 3, Sith RageSecond, and perhaps more importantly, this set includes a nice new double sided map -- two new maps total ("Teth Monetary" on one side and "Rattatak Arena" on the other side - if you look under the .com image, you'll see I've also uploaded an image of each map FYI). To me, these two new maps alone are worth the entire price of the map pack (i.e., since the map you pick and play on can influence the game as much as the figures you chose to play with). And, unlike the last set of map packs, both of

these maps are fairly well balanced overall, and both melee and shooting squads should be able to play good games on both maps.
